# HyLED 200 Series

## LED Examination Light

Mindray examination light inherits the advanced technology from LED surgical light and shows excellent light performance: better light intensity, longer service life and lower power consumption.

It is ideal for patient examination, ICU, outpatient, as well as preparation and recovery areas.

- 700,000 lux illuminance for the best possible visualization
- Up to 10 hours battery(optional) duration in mobile version
- High flexibility and space-saving compact design

## Flexible and Simple Handling

The following features can be operated electronically using the control panel in the light head:

- On/off switching
- 5-step brightness control

## Technical Specifications

As well as mobile lights, HyLED 200 examination light is also available in ceiling, wall and even pendant mounted versions which free the floor space and facilitate cleaning.
